"Where history comes alive!"

To Whom It May Concern,

On behalf of the Friends of Maple Grove Cemetery, it is with great enthusiasm that I offer this letter of support for **Harmony 4 All**, a remarkable nonprofit dedicated to making music education accessible to underserved students in New York City. Their mission to bridge the gap in musical education resonates deeply with our values of education, preservation, and community engagement.

Harmony 4 All has already left a profound impact on our own community, having brought their extraordinary talents to Maple Grove Cemetery in a concert that not only showcased their musicianship but also uplifted and inspired all who attended. Their commitment to ensuring that students, regardless of financial barriers, have access to quality instruments, instruction, and opportunities is nothing short of commendable.

Through free instrument rentals, curriculum support for teachers, and partnerships with underfunded schools, Harmony 4 All fosters an environment where young musicians can flourish. The dedication of co-founders Bianca and Joshua Quddus, both extraordinary young leaders and musicians, reflects the organization's passion for not only music but also equity and empowerment. Their efforts extend beyond performance—they are shaping the future of arts education, ensuring that the universal language of music is accessible to all.

At Maple Grove, we understand the power of music to transcend generations and bring people together. The work of Harmony 4 All aligns with this philosophy, creating meaningful experiences that enrich the lives of young artists and the communities they touch. It is our sincere hope that this outstanding organization receives the funding and support necessary to continue its mission and expand its reach.

We wholeheartedly endorse **Harmony 4 All** and encourage any institution or funding body to invest in their invaluable work. Their impact is not only measurable. It is transformative.

Sincerely,

Shahriar Hossain

President of the Friends of Maple Grove
