Dear Harmony4All,

I write this letter in support of Education Through Music (ETM), a valued partner which has been supporting the P.S. 154 students and community for over 10 years by providing high quality music education with music instruction and musical instruments.

ETM has also helped us launch and sustain our 4th & 5th grade band program. This has been a wonderful opportunity for many of our students and we would like to continue to provide this opportunity to even more students moving forward.

However, the cost of purchasing new band instruments at this time is not possible. So, by providing the funds to repair these 12 school-owned instruments at P.S. 154 Queens, you will allow many more students to participate in the school band program for many years to come, further enriching their music education.

I sincerely hope you can partner with ETM to make this possible.

Best Regards,

Pamela Gathers-Bullard
Principal, P.S. 154 Queens
